

Team Tomkins House

Our team is ready (well almost!)

1 Medical Director - Dr. Peter Cameron

4 full time Registered Nurses

4 full time Registered Practical Nurses

1 part time Personal Support Worker

WE NEED PPE - MASKS, GLOVES, GOWNS, FACE SHIELDS

Our Home is ready (well almost!)

6 private rooms (we are funded for 5 beds but ready if we are needed to open #6)

Private ensuite washrooms, shower room & therapeutic tub spa room

Murphy Beds for loved ones to stay close

TVs with cable, Netflix, Spotify, Internet Access

Family room with full kitchen to gather around our

Harvest Table and share a homemade bowl of soup

and some delicious baked goods. (Can't wait for volunteers to help us!)

All at **no cost** to our families because of generous donations from our community

What are we doing?

Every day communications with the Ministry of Health & Long Term Care

Outreach with our Local Health Integration Network

Connecting with Hospice Palliative Care Ontario &

Hospice Peers to understand best practices

CALL EVERY SUPPLIER IN THE WORLD TO FIND PPE!!

Connect with Georgian Bay General Hospital

to work together and care for our community

Provide a tour for our Fire Department to draft and implement our Fire & Evacuation Plan

Provide a tour for our Police Department to help them understand our work and our building should we need them.

Meeting with our Pharmacy Partner for staff training

Ordering and receiving supplies & working at finishing the home

Connecting with our Volunteers, Clients & Caregivers to offer support and provide updates

Contacting our donors to thank them and provide updates
